

FIVE FAST FACTS FOR FRIDAY

HiTOPS Adolescent Sexual Health Education and Support

- HiTOPS is a Princeton, New Jersey based 501(c)(3) organization that provides adolescent sexual health education and support.
- HiTOPS provides positive, non-judgmental, accurate, affirming programs and services in welcoming, fun, affirming spaces for young people of all identities, and the people who work with, and care for them.
- HiTOPS programs and services are designed, delivered, and evaluated through a youth-informed lens by:
 - Cultivating partnerships with a diversity of organizations, schools and other entities.
 - Collaboratively developing programs and services that reflect the unique communities and cultures of our partners.
 - Incorporating best practices in program design, development and delivery.
 - Maintaining the agility, flexibility and self-awareness to respond to an ever-changing environment.
- In 2014 HiTops added two new support groups: Trans Youth Group and T-NET, for parents of trans youth.
