

## FIVE FAST FACTS FOR FRIDAY

# Sidekicks Support Services

- Sidekicks provides personalized, effective, and reliable support services that enable individuals with intellectual or developmental disabilities to overcome daily obstacles, achieve goals, and obtain greater independence. Sidekicks are mentors, companions, therapists, job coaches, and more.
- Sidekicks services include: ABA Therapy, Speech Therapy, Community-Based Supports, Career Planning, Mentorship, Companionship, and Respite Care. Services are overseen by supervising staff and delivered by a qualified and appropriately selected Sidekick. Services are personalized to each individual's unique needs and goals. Services are provided to individuals aged 4 and up.
- Sidekicks is an approved provider through the Division of Developmental Disabilities, Department of Children and Families, Horizon Blue Cross Blue Shield, Aetna, Qualcare, United and Amerihealth.
