

# FIVE FAST FACTS FOR FRIDAY

## The Uncommon Thread

- All of the ABA programs are overseen by a BCBA and supported by a team that includes 5 Clinical Directors, 4 Senior BCBAs, 3 Case Managers and a Family Care Coordinator
- They provide services in the community, in school, in their center, and/or at a child's house.
- The Uncommon Thread (TUT) has been advancing the lives of children diagnosed with autism spectrum disorder (ASD) since 2007.
- In May, they held a Fun-Filled Field Day to celebrate their kids. They had games, music, pony rides, a bounce house, and special performances.
