

# FIVE FAST FACTS FOR FRIDAY

## Delta Dental of NJ Special Care Center

- They provide services for patients over 12 years of age with IDD, cognitive disabilities, progressive neurologic conditions, and patients unable to transfer from a wheelchair.
- They have general dentists and dental hygienists with experiences working with patients with special needs.
- For individuals who can not tolerate care in a clinic setting, they will provide care in the operating room.
- Some of the services they provide are exam, x-rays, cleaning, filling, gum treatments, evals of oral lesions, and crowns.
- For more information, call 973-972-4242 Ext #6 or visit <https://sdm.rutgers.edu/patient-care/delta-dental-nj-special-care-center>
