

# FIVE FAST FACTS FOR FRIDAY

## Family Voices

- Family Voices is a national family-led organization of families and friends of children and youth with special health care needs (CYSHCN) and disabilities.
- To see an overview of their programs & projects, follow this link, <https://familyvoices.org/projects/>.
- Their vision statement says “With families at the center of health care, all children and youth reach their full potential and health disparities are eliminated.”
- Some of their values include social justice, family centered care, and inclusion & connection of families.
- For more information, visit <https://familyvoices.org/>
