

FIVE FAST FACTS FOR FRIDAY

Asperger Autism Spectrum Education Network (ASPEN)

- ASPEN is a national volunteer 501(c)3 non-profit organization with headquarters in New Jersey. Our chapters meet monthly, alternating parent support meetings with speaker presentations.
- ASPEN offers professionals the opportunity to join us at meetings where speakers are scheduled and provides Professional Development Hours to those who attend.
- Membership includes a newsletter and resource directory, access to our lending library. Additionally, ASPEN maintains this comprehensive website and sponsors conferences featuring some of the most prominent names in the research community.
- There are family groups throughout NJ where parents of children on the autism spectrum meet monthly to discuss pertinent issues and share information.
