For a complete list of dental services by county, scroll down.

The 2024 New Jersey Dental Clinic Directory provides a central source of information on public dental clinics and services in New Jersey. These clinic services are primarily provided by local health departments, hospitals, and Federally Qualified Health Centers (FQHCs).

The inclusion of any individual or organization in this Directory does not constitute or imply an endorsement by the New Jersey Department of Health (NJDOH). The information contained in the document is from organizations that responded to a "Dental Health Services Survey" conducted by NJDOH. **Please note that clinic information is subject to change.**

The New Jersey Dental Clinic Directory is designed to assist people in accessing dental care. **Insurance, payment, and other requirements vary by facility. Patients should call to ask what documents they need to bring with them to their appointment.**

Helpful tips for using this directory:

1. The dental clinics listed are organized by county.
2. If you are unable to find a clinic in your county, check other nearby counties.
3. Be sure to ask about the documents you need to bring to your appointment.
4. Insurance and payment options vary by clinic and are subject to change. Confirm details with each clinic you contact.
5. **UNINSURED?** You may qualify for free dental services at an FQHC. FQHCs listed in this directory are marked with an asterisk (*). Contact the FQHC for information.
6. Additional resources are included on the last page of this directory.
