

# FIVE FAST FACTS FOR FRIDAY

## United Cerebral Palsy

- United Cerebral Palsy is one of the largest health nonprofits in the United States.
- It all started in 1949 when a group of parents that had children with cerebral palsy banded together to create an organization to improve service for people with disabilities.
- They have a resource guide to help you find services in your community, here: <https://ucp.org/resource-guide/>
- Mission Statement: To be the indispensable resource for individuals with cerebral palsy and other disabilities, their families, and their communities. Vision Statement: Life of inclusion for individuals with disabilities.
- For more information about United Cerebral Palsy, visit <https://ucp.org/> or call 202-776-0406
