

# FIVE FAST FACTS FOR FRIDAY

## NJ Transit Accessible Services

- NJ TRANSIT is committed to providing a world class and accessible travel experience for customers with disabilities.
- Some accessible services they have include: accessible rail and light rail vehicles, lift equipped and kneeling buses, Access Link ADA paratransit, Community Transit, the Reduced Fare program, and more.
- People with disabilities and senior citizens 62 and up can take advantage of the Reduced Fare program. People with disabilities must present a NJ Transit Reduced Fare Card or Medicare card to obtain the reduced fare.
- You can contact them by emailing [adaservices@njtransit.com](mailto:adaservices@njtransit.com)
- For more information about NJ Transit Accessibility Services, visit [www.njtransit.com/accessibility](http://www.njtransit.com/accessibility)
