

FIVE FAST FACTS FOR FRIDAY

Leading the Way

- Leading The Way's mission is to provide community inclusion & respite services to adults (21+) through various forms of trips and activities. They focus on providing goal-oriented support, navigating communities, building peer relationships, and promoting strong social skills.
- Located in Cherry Hill, Leading The Way provides interactive activities, including but not limited to, bowling, movie nights, bingo, aquarium trips, theatre productions, amusement parks, and much more.
- Leading The Way offers overnight vacations including shore trips, various state attractions, and even Disney World!
- Executive Directors, who provide care on every activity/vacation, will have a prior meeting with clients/caregivers to communicate thoroughly the needs and supports that the client will need to have a fun, productive, beneficial experience with the LTW family!
